### Product Overview

Bremen locking pliers hold stronger, longer. Built with rugged chrome-moly steel these curved jaw locking pliers are designed to be the hardest working tools in your kit. With a stronger locking mechanism and oversized rivets for exceptional strength, Bremen locking pliers are built to last.

- Curved jaw maximizes pressure points for professional clamping force
- Forged and hardened alloy steel jaw construction with wire cutter
- One-hand speed release locking mechanism
- Thumbscrew design easily adjusts clamping pressure
- Ultra durable and rust resistant nickel plating
- Lifetime warranty
