### Product Overview

The Small Ultra-Grip Flexible Parts Tray keeps tools and small parts organized and ready for use. The tough, flexible silicone material conforms to most surfaces for non-skid stability. Multiple dividers make it easy to organize the tools and parts you use most often.

- All-purpose tool organizer for working on cars, trucks, boats, and more
- Flexible silicone material grips to any surface, magnet-free, without scratching
- Stands up to motor oil and non-corrosive fluids with an easy-to-clean surface
- Divided compartments for tools and parts
